

Happy Easter Holiday's Year 1! We hope that you are all safe and well. Here are a few activities for you to try. These are either linked to our new animals' topic, or to Easter. If you can, keep up to date with school's new Facebook page, where we will share more ideas.

Religious Education - Learn about the Easter story, read the attached story.

Can you retell to a grown up what happened?

If you have access to a printer, we have attached Easter mindfulness colouring, and animals colouring. If not, draw an animal of your choosing, or design your own Easter egg.

Crafts:

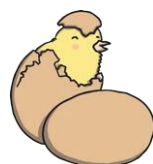

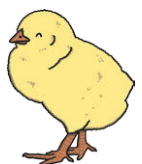

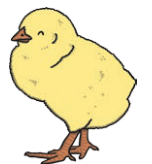

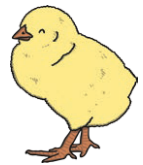

Make your own Easter character using a cardboard tube.

Create your own Easter egg using colourful tissue paper.

Join in with an Easter dance:
Go noodle <https://app.gonoodle.com/>
Jump like the bunny

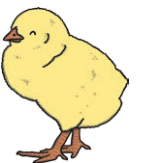

Animal crafts:

Use your handprints and get creative. What animals can you create?

You may wish to draw, paint or build an animal in a different way.

Following your research last week, create the habitat in which your favourite animal lives in. You can be as creative as you like!
