Weekly Maths Tasks (Aim to do at least one per day)

Watch Numberblocks Four at: [BBC CBeebies](#) or [Daily Motion.com](#)

Ten Town - Use your login provided by school to access Ten Town. Watch episodes up to and including Number Four - log in as child.

Write out the digits 0, 1, 2, 3, 4.

Sing Number songs to practice counting, reciting numbers in order, one more, one less using number songs: Five Little Ducks, Five Little Men, Ten Green Bottles.

Play dice games with your child e.g. snakes and ladders. Can your child recognise the numerals/correctly count the number of spots?

Record how many cars/ people walk past your house. Set a timer for 5 minutes on your phone or tablet. Draw out a simple grid and ask your child to put a tick in the right place every time a person or car goes past. When complete, can they count up the ticks and write the matching numeral? Were there more people or cars?

Weekly Literacy Tasks (Aim to do at least one per day)

Read a variety of books at home. Favourites can be repeated. Hearing the patterns of language in a story will support your child's language development.

Sing Nursery Rhymes and songs together. Add in actions and change the words. Can children think of different rhyming words to add in? Repeat old favourites and learn new rhymes.

Play I-spy with things you can see out of the window e.g. "I spy with my little eye something beginning with t" (teddy).

Alliteration - Zoe the Zookeeper activity.

Oral blending - ask your child to tell you the word you are saying (e.g. adult says 'c-a-t', child says 'cat'). This can be done through a game of I Spy or by having a selection of objects next to you.

Oral segmenting - ask your child to tell you the sounds in a given word (e.g. adult says 'dog', child says 'd-o-g'). This can be done through a game of I Spy or by having a selection of objects next to you.

Introduce letter sound 'e'.

Learn the 'e' song -

With your child, look in magazines, newspapers and books for one of the phonics sounds taught so far (l i t j u y a c o d s g e). They could use a highlighter to mark these.

Watch an alphablocks episode and complete one activity <https://www.bbc.co.uk/cbeebies/shows/alphablocks>

Practise name writing (tracing, copying, writing independently, from memory). Can they write their first name? Middle name? Surname?

Practise writing ladder letters (l i t j u y) and caterpillar letters (a c o d g e s q f) - by tracing, copying, writing

independently or by memory.

Ideas for all other areas of the EYFS Curriculum

Imagine another world outside the window

Close the curtains and ask your child to imagine that the house is in a new imagined world. What do they imagine? Is it snowy? Are there dinosaurs/ monsters in the new world? Ask them to tell you a story about it.

Go on a sight hunt

Support your child to make a viewfinder. Cut out a square of card from an old cereal box/cardboard. Cut a smaller square out of the centre. Take your viewfinder around the house and garden and explore what things you can see. Alternatively, you could create a pair of binoculars as pictured. Your child could draw/paint a picture of what they have seen or use a tablet/phone to take photographs of items.
